Palazzo Cipolla

From 18 April to 28 September 2014

After the great success obtained in Milan, Andy Warhol finally arrives in Rome.

The works of the American artist, Father of American Pop Art, will be housed in the rooms of

renovated Museo Fondazione Roma, Palazzo Cipolla.

The exhibition presents over 150 works, paintings, photographs, sculptures that are part of Brant

Foundation and tell a powerful story and a unique cultural exchange between young

collector and the artist.

A meeting from which will be born from a unique partnership which will lead to the legendary and groundbreaking
